TODAY'S BIG QUESTION

What if most believers are praying for glory while skipping the process that produces it?

What if God is more concerned with what He is establishing within us than what He is manifesting around us?

THE CENTRAL THESIS

Before God reveals His glory through us, He often establishes His truth within us.

THE PATTERN OF SCRIPTURE

PASSOVER

God brings you out.

↓

RENEWING OF THE MIND

God transforms how you think.

↓

PENTECOST

God writes within and empowers expression.

↓

GLORY

Transformation becomes visible.

PERSONAL APPLICATION

What is God trying to establish within you before He reveals something through you?

What are you repeatedly declaring?

What are you repeatedly believing?

FINAL THOUGHT

Passover changed their location.

Pentecost changed their condition.

Glory revealed the transformation.

Before God reveals His glory through us, He often establishes His truth within us.

'If thou wouldst believe, thou shouldst see the glory of God.' (John 11:40)
